

Welcome to Second Grade!

My name is **Ms. Espino**, and I am the second-grade teacher here at *Family Life Academy (F.L.A.)*. I have been an elementary school teacher for over 35 years. I taught at River of Life Christian School (R.O.L.) for 30 of those years. God has blessed me with the opportunity to teach at two great schools.

I am excited to meet you and your child in the upcoming school year. Second grade is a time for growth, not only academically, but emotionally, socially, and spiritually. It is my prayer and goal for the second-grade classroom environment to be a place where all the students feel supported and inspired to do their best in developing important skills like responsibility, teamwork, and problem solving.

Together, let us pray for a productive and enjoyable school year!

God is More than Able,
Ms. Espino

“And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength. The second is this: ‘You shall love your neighbor as yourself.’ There is no other commandment greater than these.” ~Mark 12:30-31~
