Welcome to 4th Grade!

We will study God's Word, Science, and
Social Studies together after lunch
every day.

I am Miss Robin Abbott. I am very pleased to be joining Family Life Academy next year. I have been an educator for almost 40 years with all ages. I accepted the Lord when I was a young child and have had the privilege of serving Him throughout my life in the classroom, along with on the mission field in Oaxaca, Mexico. At this time, I teach Sunday School at El Camino Baptist Church and am excited that, after many years of teaching in our public schools, I am able to teach my students about the one true God and how He impacts our lives on a daily basis and has since the beginning of time. I will teach how He has been involved in everything that has happened in our world and everything that will happen. We will look at prophecy and look back in time to see how he moved even the most powerful kings and leaders to accomplish His will for the future He desired. Every afternoon will be an exciting time of growing in our knowledge and understanding of our Lord and the world around us.

A few important people in my life
are my niece and nephews.

I love to travel and see His handiwork and
meet the people and learn their cultures

my brothers and sisters
