

Hello Students and Parents,

I am so excited to be teaching 3rd grade and am looking forward to seeing everyone in August. I would like to share a little about myself. I was born and raised in Southern California. I graduated from Pacific Coast Baptist Bible College with a BA in Elementary Education. I moved to San Jose where I taught 2nd grade for eight years, met and married my husband. We moved to Tucson in 1999 to care for my husband's father. Later, I went back to school and graduated, with honors, in 2010 from The University of Phoenix with a BS in Elementary Education. I have been teaching at FLA since 2011. During my time at FLA, I have taught 1st, 3rd, and 4th grade. My husband and I have one child, Victoria, who graduated from Northern Arizona University with a double major. We are so excited and proud of her accomplishments. In my free time I enjoy doing absolutely nothing, reading, exploring, going to the beach (hard to do in Tucson ☹️) and the movies. I am looking forward to partnering with all of you in educating your children. Please don't hesitate to reach out to me if you ever have questions via my school email address.
