

Welcome to Miss Abbott's 5th Grade

I grew up in Tucson and graduated from the U of A.
I am an avid Wildcat basketball fan.

Family is a very important part of my life.
I have two sisters in town and two brothers
who visit often.

We get another year together! If you have not been a part of my 4th grade class this year, we welcome you with open arms. We are going to learn so much about how God loves us and wants to sanctify us more and more every day. We will put God's word in our hearts through memorization of scripture. We will grow in our reading, writing, and math skills and learn about our world in the process. God's hand is evident everywhere we look. We will read novels and participate in literature circles. Using an overview approach, we will look at the history of the United States from the beginning, more than 250 years ago, to this day.

I am so excited to be a part of God deepening our relationships with each other. I am thrilled with the opportunity to watch how the Holy Spirit molds everyone throughout this year. You are going to grow and mature so much, and I feel privileged to be charged with the opportunity to guide and prepare you for the future.

May God bless you as you enjoy your summer. Remember to seek Him in everything you do.

Below, you will see some of our activities from 4th grade.

5th Grade Supply List
